Sliding Scale Session I: \$525-900

Sliding Scale Session II: \$525-900

Sliding Scale Session I & II: \$1,000-1,700

(For details about our sliding scale, go to <a href="https://www.bayschool.org">www.bayschool.org</a> and look in the parent/child section.) \*Please do not send a check until you receive an invoice from The Bay School.

Placement must be confirmed before payment is made.

Consider signing up for the full year to ensure a space in Session II. We will be opening enrollment for Session II to new families starting Nov. 1st and expect any open spaces to fill at that time. Payment in full at the beginning of the program is appreciated. Those enrolling for both sessions can elect to pay tuition in up to five monthly installments from September-January. For those signing up for only one session, payment in full at the time of registration is expected. If your family would like to request a payment plan, please email Marcia Diamond at <a href="marciadiamond@bayschool.org">marciadiamond@bayschool.org</a>.

If you have more than one child and would like each to participate, please contact program teacher Margot Entwisle at <a href="margotentwisle@bayschool.org">margotentwisle@bayschool.org</a>.

After you have filled out this application, you will be contacted by Margot to finalize the registration process or be added to the waiting list. Once your registration is complete, you will receive an invoice to pay for your child's enrollment into the program. Thank you for your interest.
