Please do not send a check until you receive an invoice from The Bay School.

Placement must be confirmed before payment is made.

Please consider signing up for the full year to ensure a space in Session II. Enrollment for Session II will open to new families beginning November 1, and we expect any open spaces to fill at that time. Those enrolling for both sessions can elect to pay tuition in up to five monthly installments from September - January. For those signing up for only one session, payment in full at the time of registration is expected. If your family would like to request a payment plan, please email Head of School Tara Nemeth at taranemeth@bayschool.org.

After filling out this application, you will be contacted to finalize the registration process, or to be added to a waiting list. Once registration is complete, you will receive an invoice to pay for your child's enrollment in the program. Thank you for your interest.
